

# CHARLTON PARISH COUNCIL

## FLOODING WORKING GROUP

### Notes of Meeting

7.30pm, Thursday, 6<sup>th</sup> August 2009  
in the Old Schoolroom, Ryden Lane, Charlton.

Present:

Brian Browne PC (chair)  
Ted Grazier PC  
Brian Clements FAC (residents Flooding Action Committee)  
Roger Davies FAC  
Bob Holloway FAC  
Sharon Hammel FAC  
Derel Arnold FAC  
Rob Millar Environment Agency

Apologies: Roger Gurney Clerk to PC

Ted Grazier had previously declared personal interest as a landowner, so Brian Browne chaired the meeting.

1. Letters of support for the EA scheme from Tom McDonald WDC and Jack Hegarty WDC, and an e-mail from Liz Eyre WCC were read out.
2. The following amendments to the Flooding Report tabled at the meeting on 27<sup>th</sup> July were agreed as follows:
  - The total number of properties in Charlton within the 30 mph limit was to be substituted for the number of properties given in the Register of Electors, and the percentage flooded amended accordingly.
  - The figures of properties affected in EA's Charlton Candidate Project sheet was 30, and the numbers experienced internal flooding of 12 in 1998 and 27 in 2007 were to be used for consistency.
  - In the Flooding History section the words "but without entering properties" and "The Green....vehicle" to be deleted. Three flooding events between April 98 and July 07 to be included.
  - Flooding of the Severn Trent sewerage station to be included.
  - Report to state that all landowners affected by the scheme have been contacted and none have raised objections.

3. The draft of an e-mail from PC to Tim Farr WMRFDC to be amended to embody above changes, namely:
  - Property numbers and percentages
  - Rapidity of water level rise to be emphasised
  - Water level quoted as 1.3m to refer to road flooding.
  - Flooding events between 1998 and 2007 to be mentioned
  - E-mail to be jointly from PC Chair and Action Group Chair
